Physician/Physician Assistant/Nurse Practitioner Authorization

Physician/Physician Assistant/Nurse Practitioner - I authorize the school nurse/health aide or other designated school personnel to administer the following medication(s) to the above-mentioned student:

Medication Name	Dose/Route/Frequency	Administration Time

Name of Physician/PA/NP (Please Print Legibly)	Signature and License # of Physician/PA/NP	Date
------------------------------------------------	--------------------------------------------	------

Parent/Guardian Authorization

Parent/Guardian - I understand:

- The initial dose of a new medication will not be administered by school personnel.
- Prescriptions and over-the-counter medications must be brought in their original containers; prescriptions must match the doctor's orders written above.
- If the medication(s), dosage, route, frequency, or administration time changes, a new Medication Administration Authorization must be completed.
- This Medication Administration Authorization may be canceled and the medication may be picked up by the parent/guardian at any time.
- All remaining medication must be claimed at the end of the school year or it will be destroyed.
- Permission will stand for the 2023-2024 school year unless revoked by a parent or guardian.
- Students are not to have on their person any medication (prescription or over-the-counter). Students with life-threatening illnesses (e.g. asthma and severe allergic reactions) must follow procedures for self-administration of medications per board policy.
- The nurse's office is unable to store or dispense candy or snacks to students. If your child has a condition requiring this accommodation, please contact Sara Speight at sspeight@nc.k12.mo.us for further info.
- In accordance with board policy, the school reserves the right to refuse to administer specific medications.

My signature below affirms that I understand the information stated above, and I request the medication(s) listed above
